

Hotel Maintenance Operative

Closing Date: 25/06/2021

Description:

An exciting new vacancy of Maintenance Operative has arisen within The Lowry Hotel - Manchester's iconic five-star hotel. This role involves supporting the Chief Engineer and using the property management system for both preventative and reactive maintenance to ensure the smooth running of the hotel in accordance with legislation and Company procedures.

Responsibilities:

The role involves responding and prioritising maintenance requests, ensuring guests are safe and the hotel is fully functional. The successful candidate will undertake all maintenance tasks from electrics, plumbing, carpentry, minor electrical work and mechanical engineering work. The 17th Edition qualification is essential for this role and plumbing skills would be an advantage. The ideal candidate will possess the skills and experience to be able to carry out the above maintenance tasks to a high standard and be able to appreciate the privacy our guest require in a five star hotel. The hours of work are on a shift basis including weekends, early & late shift. Therefore flexibility is essential.

Benefits:

Great benefits available and career progression within the brand. In return for your commitment to delivering five star service and standards, we offer excellent training and development opportunities in addition to other benefits such as hotel discounts, uniforms and meals on duty.

Details:

Rate of Pay: Competitive
Working Hours: TBC
Contract Type: Permanent, Full Time
