

Kitchen Porter

Closing Date: 30/07/2021

Description:

An exciting opportunity has arisen at the Qbic Hotel and their Restaurant Motley for Kitchen Porter.

At Qbic we welcome character, so to be a true Qbic Ambassador and part of our Qrew we're looking for people who are:

- Free-spirited - Following a natural sense of wonder and adventure
- Independent - Exploring and expressing what's true to you.
- Neighbourly - Welcoming all to come as you are.
- Green - 67% less carbon emissions than other hotels our size, and that's not hot air...

We're "people" people and we're known for doing things differently, but most importantly we put people at the heart of everything we do. So what does that really mean? A close-knit group of special people, with the freedom to be themselves and offer guests the warmth and generosity you'd expect from someone welcoming you into their home. We think that this is important as it elevates the Qbic experience and creates a more personal, boutique feel for guests. It also gives guests the feeling they are interacting with real people, who care, rather than corporate clones reading from a script.
