

Cocktail Bartender / Server – Part Time

Closing Date: 30/07/2021

Description:

We have an exciting opportunity at Three Little Words. Currently looking for a Cocktail Bartender / Server.

A warm, friendly and authentic personality, a real passion for food and drink and a desire to deliver world-class service are must-have qualities to join the family!

Responsibilities:

We're a small, knowledgeable and experienced team, so previous experience is advantageous, although we recruit based on personality and strong work ethic over anything else.

Role involves working on the bar making and serving cocktails/drinks, delivering table service to our guests, running food and drinks and helping out in all areas where needed.

Hours will be based mainly around the weekend (we are open Weds-Sunday but busiest at weekends) and there will be some late finishes (3am), so being able to travel home safely late at night must be considered. Full training will be given, with our staff required to have an in-depth knowledge of our cocktail specs, products and experiences we offer from our on-site distillery, Spirit of Manchester.

Benefits:

The opportunity to progress into running our experiences, and working across all aspects of the business will be part of your progression plan with us, as we look to offer all our employees a fully immersive career.

Details:

Rate of Pay: £9.50 rising to £10 per hour once training completed, plus service charge

Working Hours: Up to 20h per week

Contract Type: Part Time, Permanent
